FIRST 5 TULARE COUNTY

Strengthening our Community...
One Child,
One Family
at a Time!

About First 5 Tulare County

First 5 Tulare is an independent public agency aimed at promoting, supporting and improving the early development of children during their first five years of life.

Children's Health Initiative

We allocated half of our annual funding-nearly $3 million-to ensure that all children have access to medical, dental, vision and mental health care.

School Readiness Initiative

Our School Readiness Program is designed to help families, schools and communities prepare children to enter school ready to succeed.
